

Chinese and Japanese Cook Books

Feb. 6, 2012

[Chinese Cuisine \(Wei-Chuan's Cookbook\)](#), a good basic cookbook, with explanations and photos of terminology, seasonings, utensils, vegetables, special ingredients used.

[Chinese Seafood](#), seasonings, utensils, how to prepare (clean, cut, etc.) seafoods.

[Chinese Snacks \(Wei quan shi pu\)](#), snacks, such as dim sum and zung-zu.

[Simple Chinese Cooking](#), a more contemporary view of Chinese cuisine.

[Japanese Cuisine \(Wei-Chuan's Cookbook\)](#), fairly complete basics of Japanese cuisine (seasonings, cooking rice, preparing fish, etc.).
